**IN RE:**

Joint Petition of Aiken Electric Cooperative, Inc., Coastal Electric Cooperative, Inc., Edisto Electric Cooperative, Inc., Palmetto Electric Cooperative, Inc., and South Carolina Electric & Gas Company for the Assignment and Reassignment of Territory in Allendale, Bamberg, Barnwell, and Colleton Counties and Approval of Agreements to Limit Corridor Rights.

**JOINT PETITION FOR ASSIGNMENT  
AND RE-ASSIGNMENT OF TERRITORY**

Aiken Electric Cooperative, Inc. ("Aiken Electric"), Coastal Electric Cooperative, Inc. ("Coastal Electric"), Edisto Electric Cooperative, Inc. ("Edisto Electric"), Palmetto Electric Cooperative, Inc. ("Palmetto Electric"), and South Carolina Electric & Gas Company ("SCE&G") (collectively, the "Petitioners") hereby jointly petition the Public Service Commission of South Carolina (the "Commission") for assignment and reassignment of certain territory in Allendale, Bamberg, Barnwell, and Colleton Counties and approval of agreements to eliminate "corridor rights" in the specified areas. This Joint Petition is made pursuant to The Territorial Assignment Act, S.C. Code Ann. §§ 58-27-610 to -690 (2015).

**I. Introduction**

In support of this Joint Petition, Petitioners allege and show unto the Commission the following:

1. SCE&G is a corporation organized and existing under the laws of the State of South Carolina. Further, SCE&G is, in part, an electrical utility engaged in the generation, transmission, distribution, and sale of electricity to the public for compensation. SCE&G's retail electric operations are subject to the jurisdiction of the Commission. Additionally, SCE&G is an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

2. Aiken Electric, Coastal Electric, Edisto Electric, and Palmetto Electric are subject to the limited jurisdiction of the Commission as an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

3. The Commission may assign to electric suppliers areas outside the corporate limits of municipalities and that are more than 300 feet from the lines of electric suppliers. S.C. Code Ann. § 58-27-640 (2015).

4. Upon agreement of the affected electric suppliers, the Commission may reassign portions of previously assigned service areas. S.C. Code Ann. § 58-27-650(A) (2015).

5. The Commission has the authority to approve agreements between electric suppliers concerning corridor rights. The Commission shall approve those agreements if, after giving notice and an opportunity for hearing to interested parties, it finds the agreements to be fair and reasonable. S.C. Code Ann. § 58-27-620(8) (2015).

6. The Commission has previously exercised its statutory authority and assigned electric service territories within Allendale County, South Carolina, to Edisto Electric, Palmetto Electric, and SCE&G.

7. The Commission has previously exercised its statutory authority and assigned electric service territories within Bamberg County, South Carolina, to Coastal Electric, Edisto Electric, and SCE&G.

8. The Commission has previously exercised its statutory authority and assigned electric service territories within Barnwell County, South Carolina, to Aiken Electric, Edisto Electric, and SCE&G.

9. The Commission has previously exercised its statutory authority and assigned electric service territories within Colleton County, South Carolina, to Coastal Electric, Edisto Electric, and SCE&G.

10. The herein proposed assignment and re-assignment of territories among the Petitioners will not cause any customers to change their service; that is, no customers will be affected by the Joint Petition.

Petitioners have considered the public convenience and necessity in their negotiations and believe the assignment and reassignment of the above detailed territories are in the public interest and assert that the Commission's approval of this Petition will be in the public interest. By making the assignments of territory in the manner described in this Petition, Aiken Electric, Coastal Electric, Edisto Electric, Palmetto Electric, and SCE&G have given careful consideration to system economy, service reliability and good utility practice, efficiency and safety – all of which support a finding that the assignment of territory

set forth herein promotes public convenience and necessity. Moreover, the assignment and reassignment of these territories will avoid the duplication of utility facilities in these areas.

30. Petitioners respectfully request that the Commission determine this matter solely on the basis of this filing unless there are protests or petitions to intervene, and in that event, to set this matter for hearing and determination at the earliest possible date.

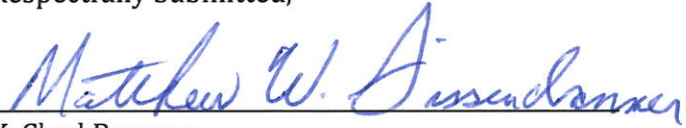

WHEREFORE, Aiken Electric Cooperative Inc., Coastal Electric Cooperative, Inc., Edisto Electric Cooperative, Inc., Palmetto Electric Cooperative, Inc., and South Carolina Electric & Gas Company, having jointly made petition to the Commission, pray that the Commission issue its order:

1. Accepting this Petition as filed;
2. Finding and determining that the territorial assignments and reassignments as set forth in Paragraphs 11 through 30 supersede any prior territorial assignment and that the assignments and reassignments are in accordance with the public convenience and necessity;
